## MAP VIEW

### SEARCH BAR

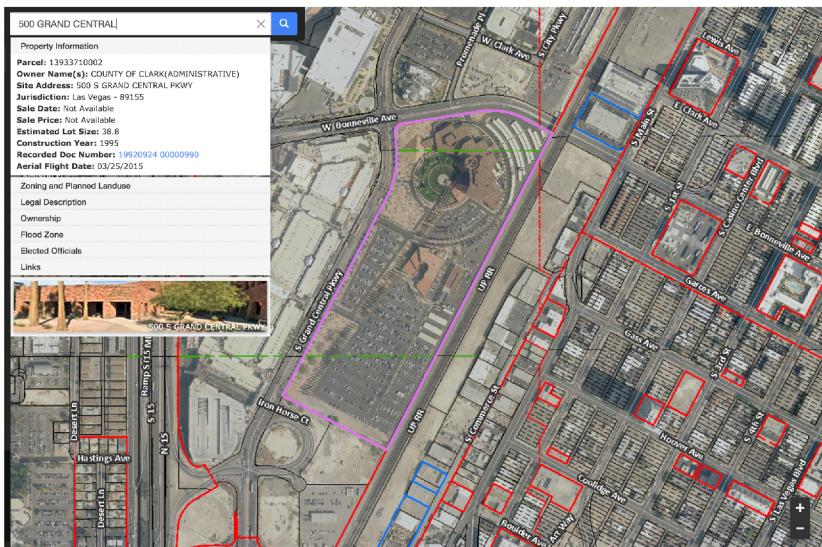

Type an **address**, **parcel number**, or the **name of a property owner** to be taken to that property. Click a property on the map and then click next!

### PROPERTY INFORMATION

These tabs provide **specific information** about the selected property.

### STREET VIEW

A street view of the property. Can be turned off by going to the **Map Display** tab and unchecking the Street View option.

### ZOOM IN/OUT

Zoom in and out using these buttons.

## HOTKEYS

## ACCEPTED PARAMETERS

The address bar can accept **addresses**, **parcel numbers**, and **latitude/longitude** or **State Plane ft** coordinates using the @ symbol.

### ADDRESS

@500%20Grand%20Central
